

<b>English Name &amp; Degree</b>	<b>Jang Young Kim, M.D, PhD</b>	
<b>Position &amp; Department</b>	<b>Professor, Cardiology, Internal Medicine</b>	
<b>Education</b>	<b>MD, PhD</b>	

**Research Interests:**

1) Cardiovascular disease epidemiology and prevention

-metabolic syndrome ( adiponectin ) in cohort study,

-School based cardiovascular disease prevention

2) Clinical cardiology

- cardiovascular imaging ( obesity and heart changes)

- Arterial stiffness in cohort study

**SCI/SCIE publications:** 163 papers

**Recent Publications: (First and corresponding)**

[Fatty liver index and development of cardiovascular disease in Koreans without pre-existing myocardial infarction and ischemic stroke: a large population-based study.](#)

Kim JH, Moon JS, Byun SJ, Lee JH, Kang DR, Sung KC, Kim JY, Huh JH. *Cardiovasc Diabetol.* 2020 May 2;19(1):51

[Metabolic Syndrome Severity Score for Predicting Cardiovascular Events: A Nationwide Population-Based Study from Korea.](#) Jang YN, Lee JH, Moon JS, Kang DR, Park SY, Cho J, Kim JY, Huh JH.

[Risk of Cardiovascular Disease and Chronic Kidney Disease According to 2017 Blood Pressure Categories in Diabetes Mellitus.](#)

Kim YT, Chung HJ, Park BR, Kim YY, Lee JH, Kang DR, Kim JY, Lee MY, Lee JY. Hypertension. 2020 Sep;76(3):766-775.

**Professional Activity:**

**Mar. 2004-Feb. 2008      Assistant Professor of Cardiology**

**Yonsei University Wonju College of Medicine, Wonju, Korea**

**Mar. 2008-Feb. 2013      Associate Professor of Cardiology**

**Yonsei University Wonju College of Medicine, Wonju, Korea**

**Sep. 2011 –Jun. 2013      Visiting Faculty,**

**Welch Center For Prevention, Epidemiology&Clinical Reserch**

**The Johns Hopkins Medical Institutions, USA**

**\*\* Supervisor: Dr. Eliseo Guallr**

**Research field: clinical epidemiology, methods for clinical research.**

**Involved research: MESA in USA supported by NIH, ARIRANG supported by KCDC**

**Mar.2013-present      Professor of Cardiology**

**Yonsei University Wonju College of Medicine, Wonju, Korea**

**Honors**

**Outstanding achievement professor in Yonsei University**

**Excellent thesis in Journal of cardiovascular ultrasound**

**Excellent thesis in Korean circulation Journal**

**Contact: Office phone or email**

**Mailing Address:**

**Cardiovascular center, 162 Ilsan-dong, wonju city, Gangwondo, Korea**

**Phone (Work): +82-33-741-0905**

**Email: kimjy@yonsei.ac.kr**
